Know the game you are in
and you will **not** win

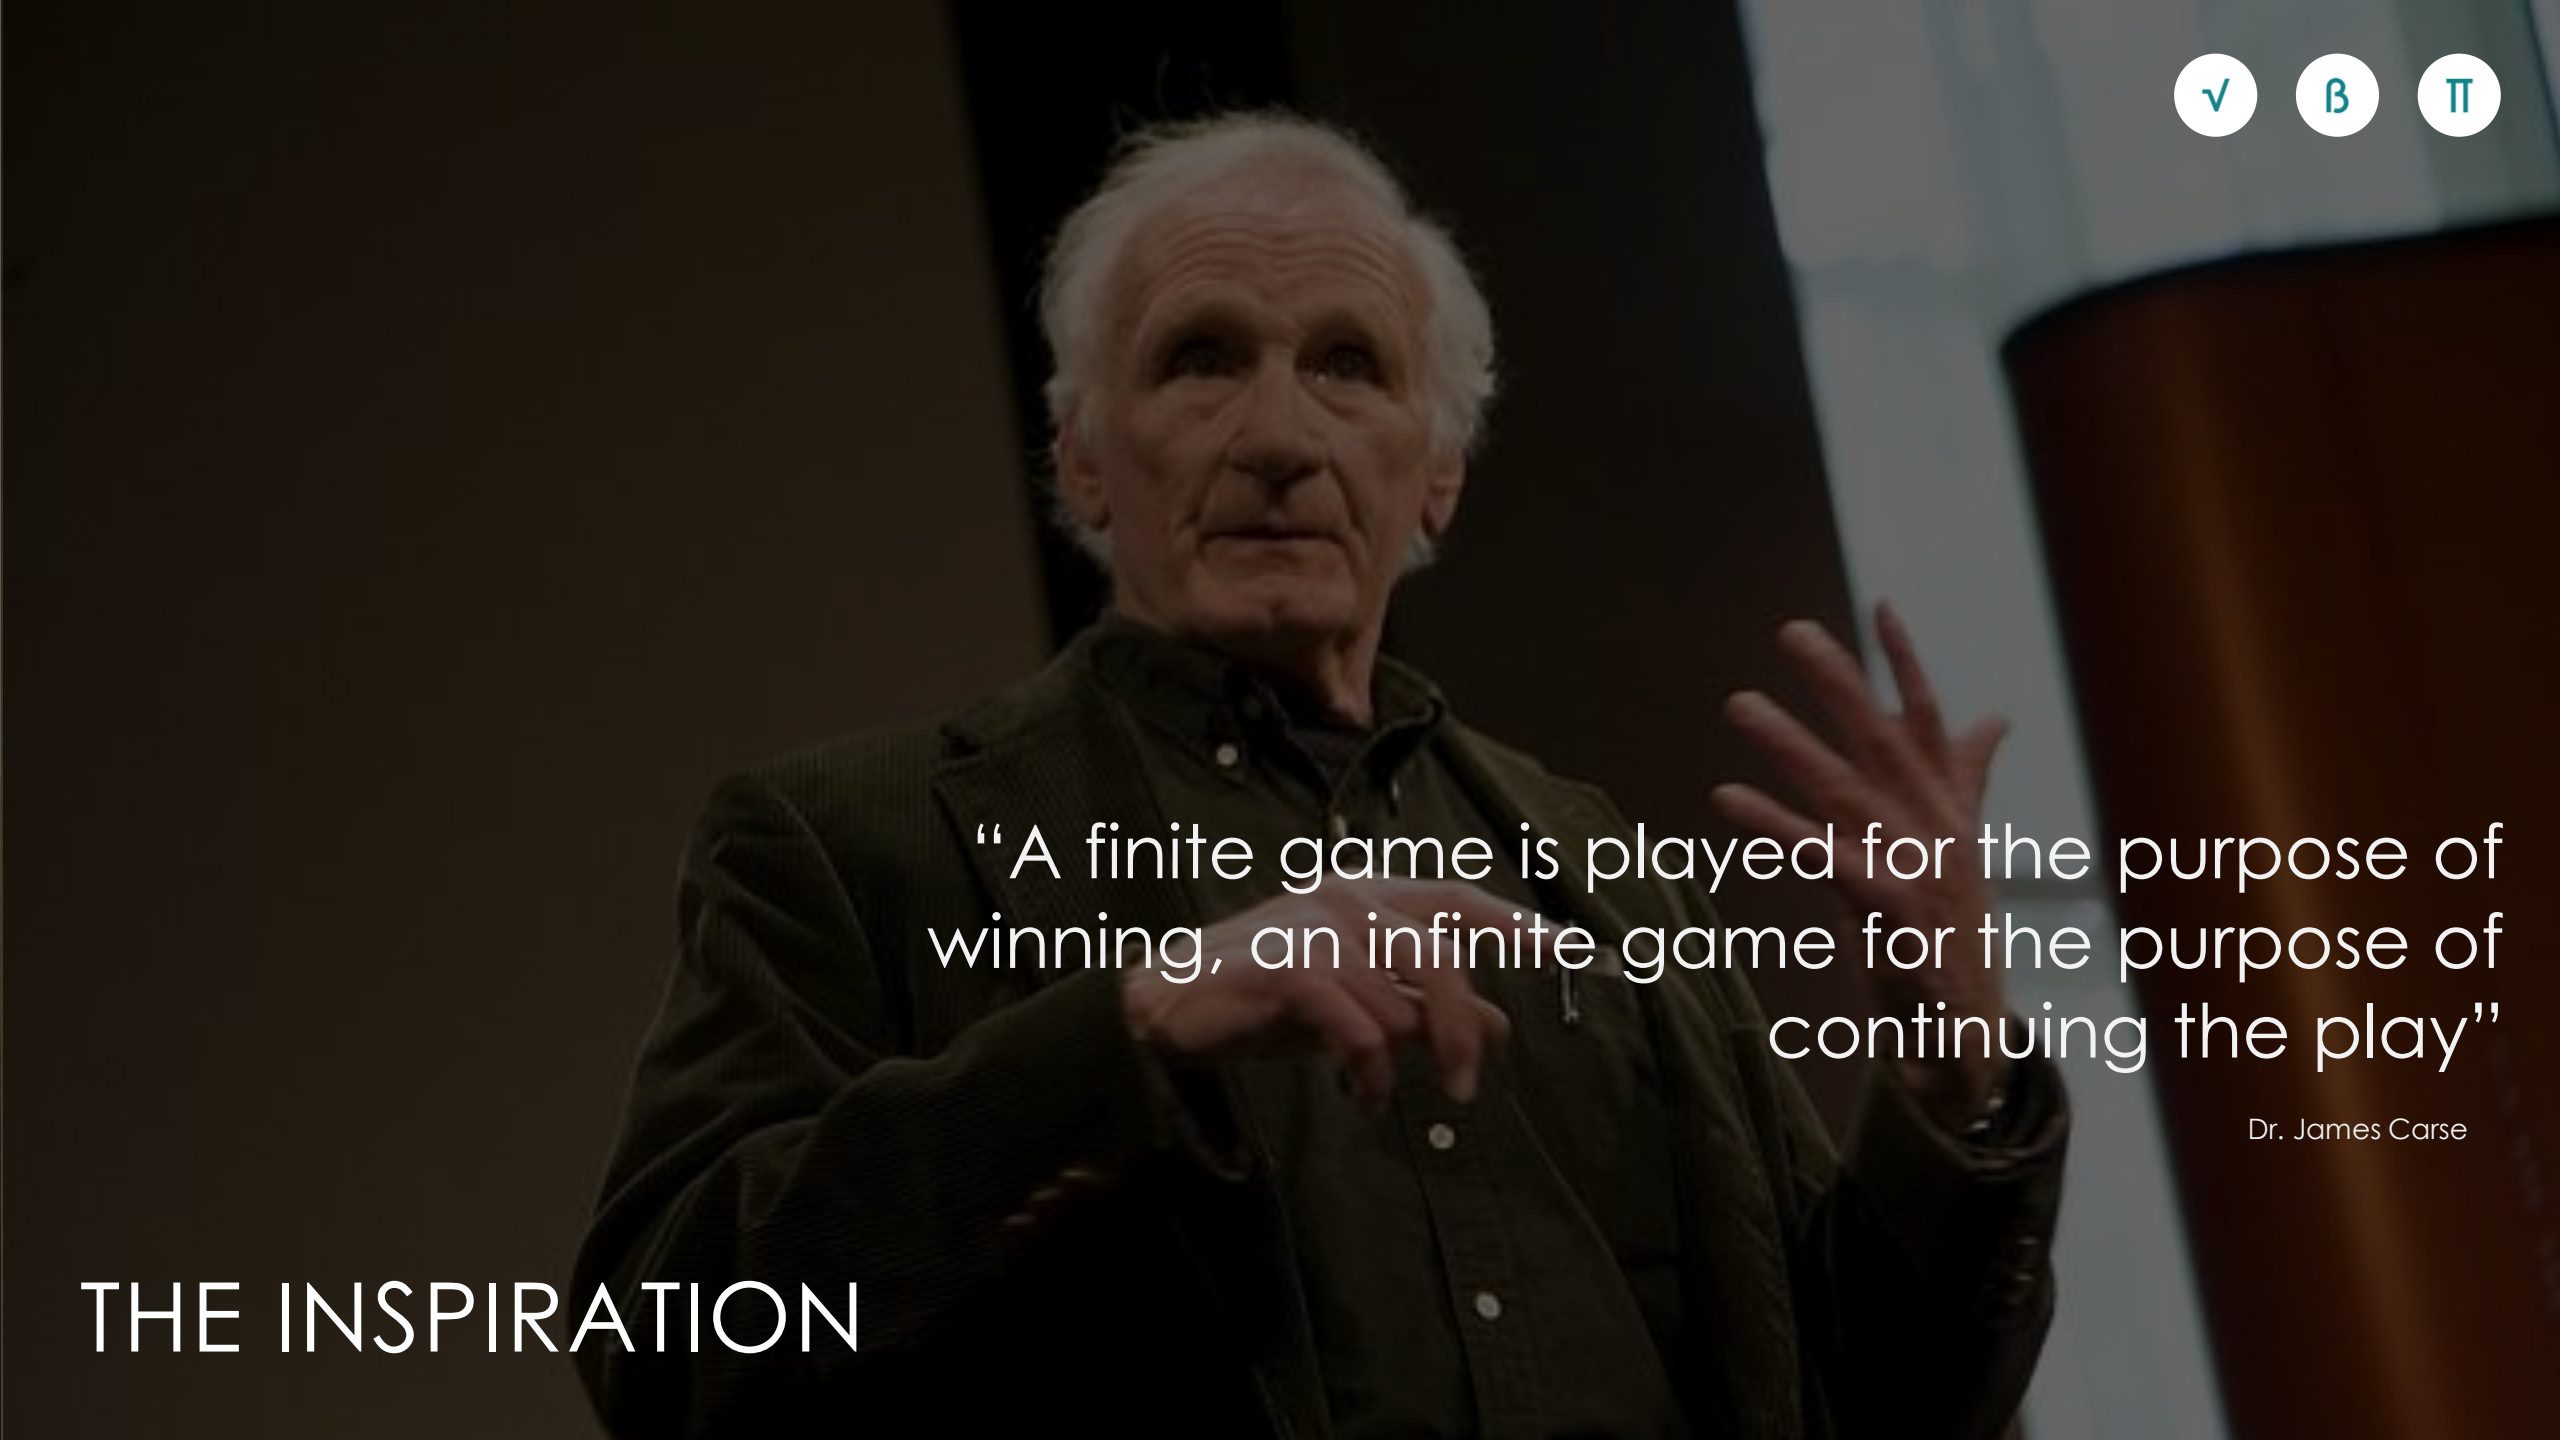

Know the game you are in and you will **not** win

My take on coping with the struggle of everyday life

"A finite game is played for the purpose of winning, an infinite game for the purpose of continuing the play"

Dr. James Carse

THE INSPIRATION

THE INSPIRATION

- √ _ What is happening in the world around us – and where do we play?
- ß _ What is our edge and what kind of place would we like to be?
- π _ What does growth mean to us, when looking at people and finances?

FINITE/INFINITE

FINITE/INFINITE

- √ _ We all play a game – and we choose how we play!
- ß _ We are not going to win – no matter what we do!
- π _ What matters is the way we play the game!

YOU CAN'T WIN SCHOOL OR BUSINESS

YOU CAN'T WIN SCHOOL OR BUSINESS

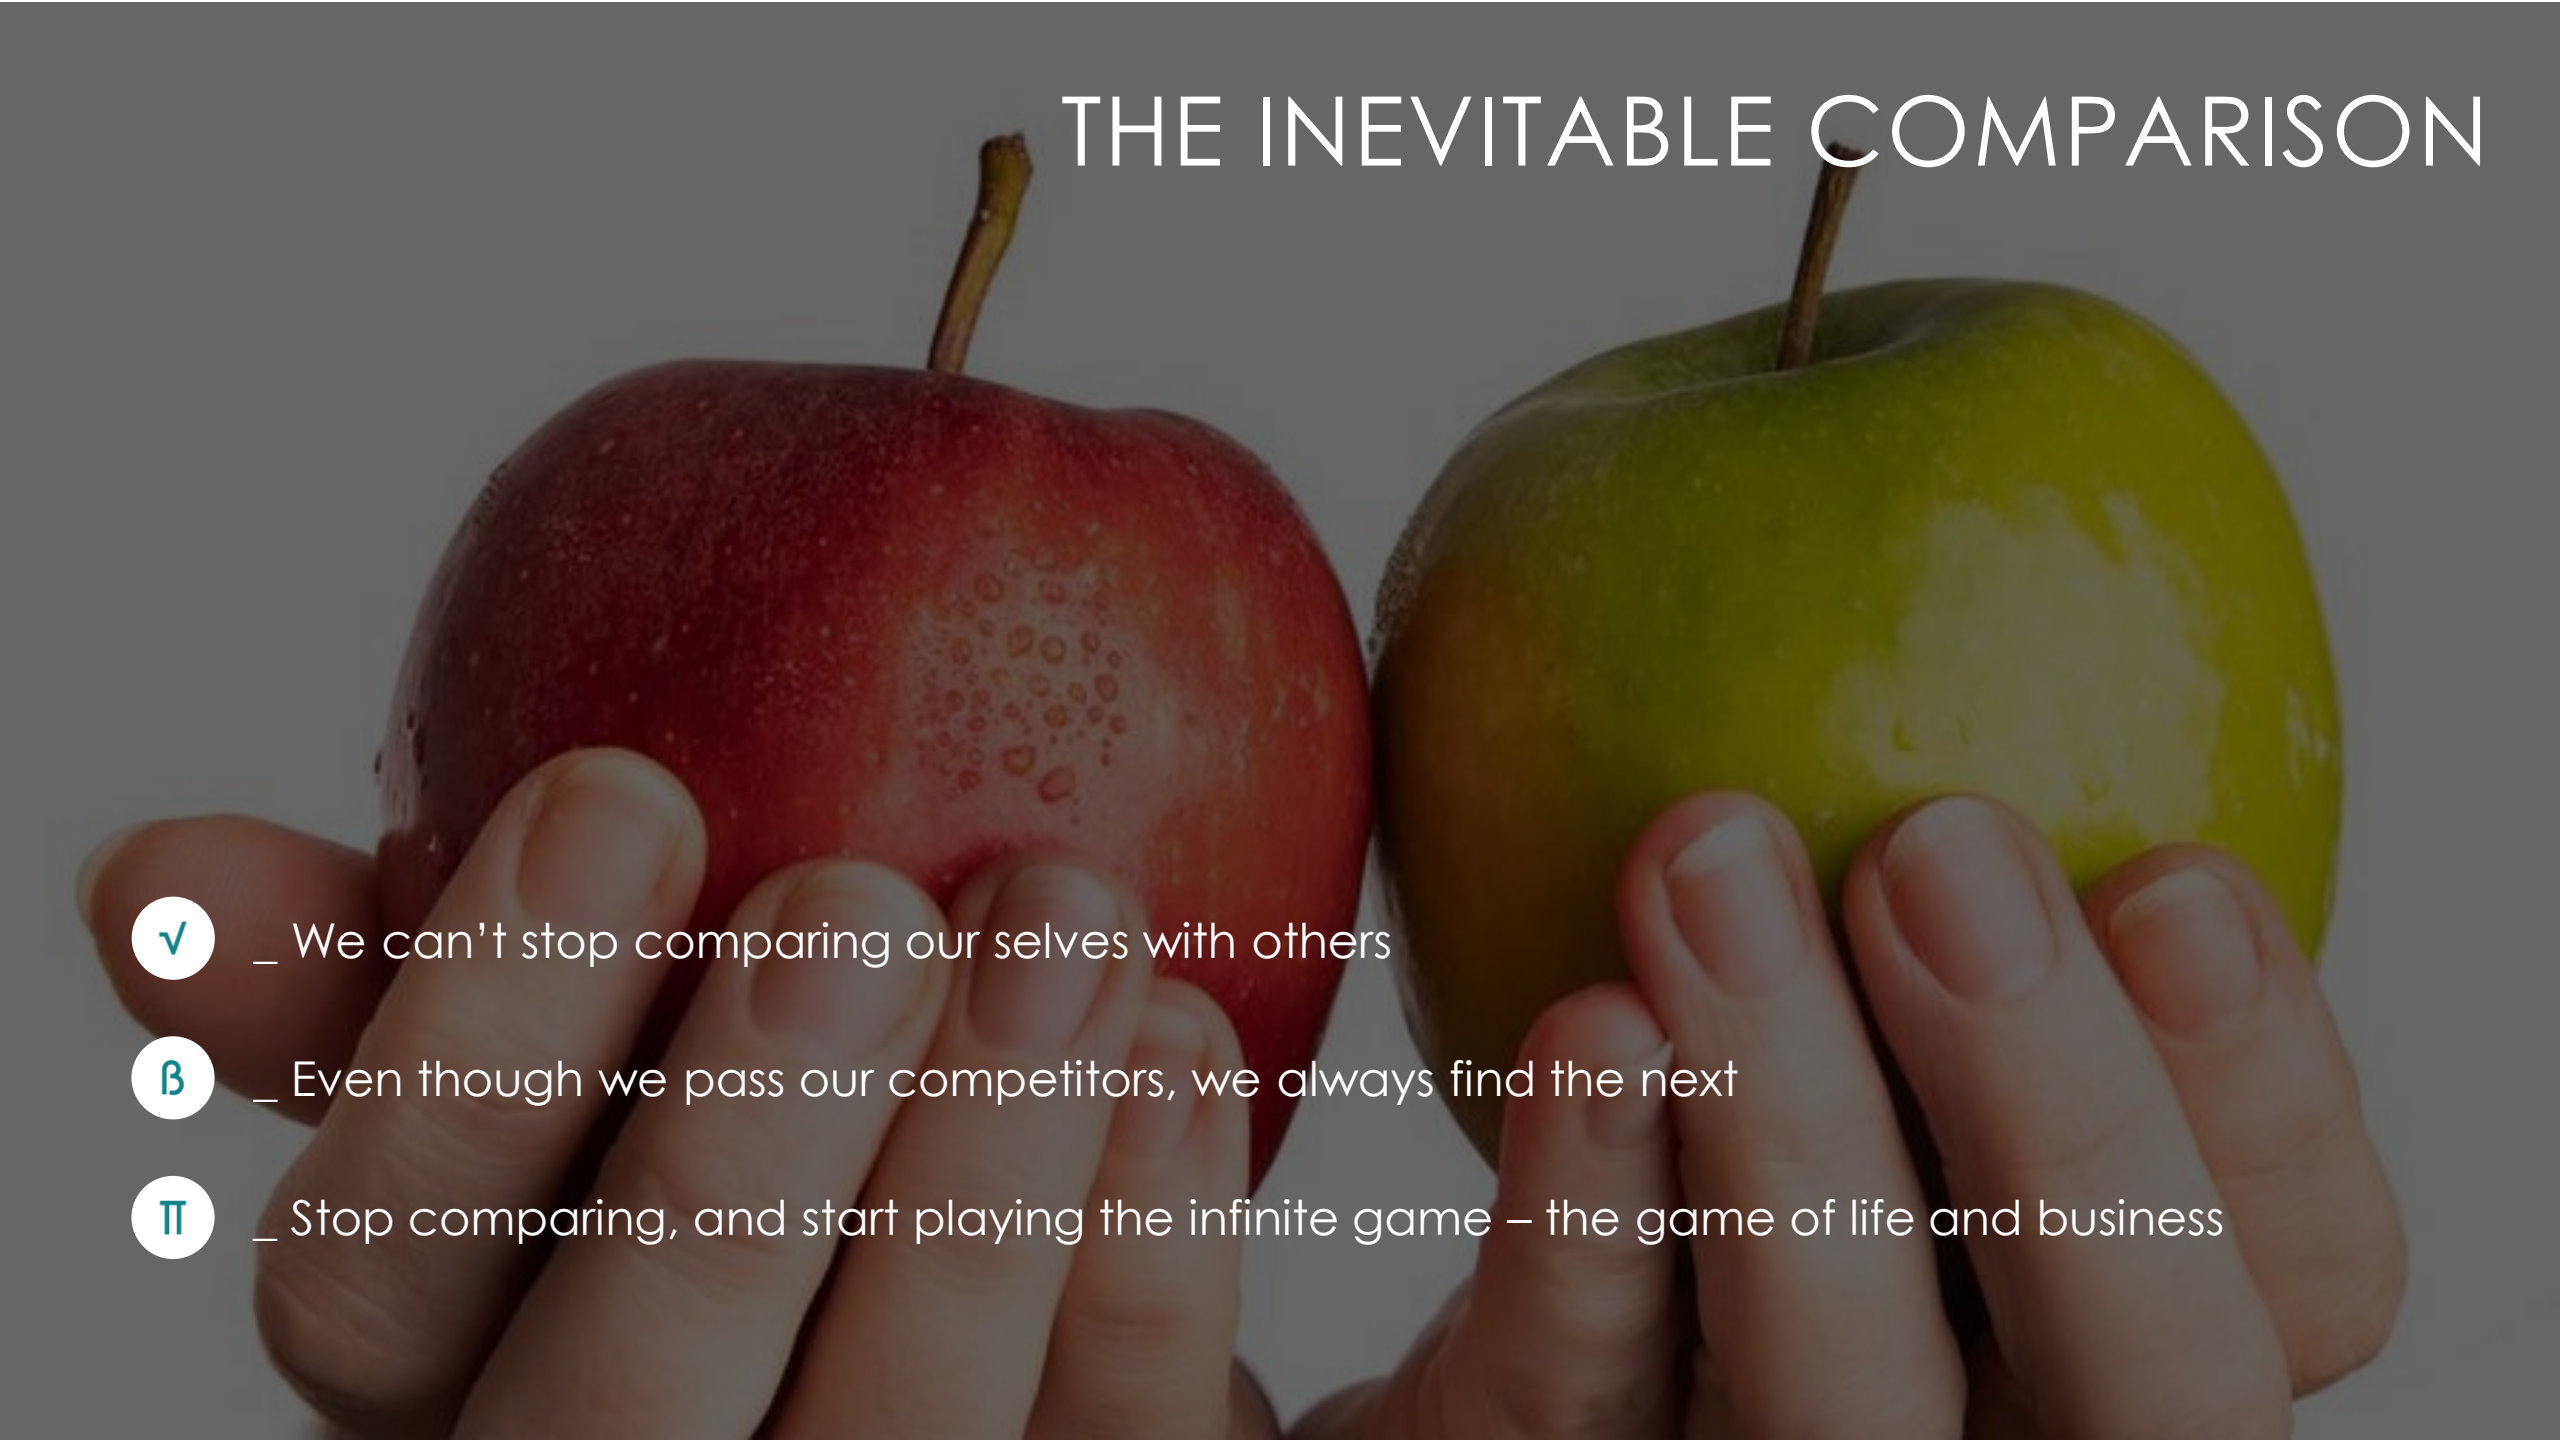

- √ _ Yes, you can get a good grade
- ß _ No business executive wakes up knowing they have won
- π _ The key is to stay in the game, be better every single day

THE INEVITABLE COMPARISON

THE INEVITABLE COMPARISON

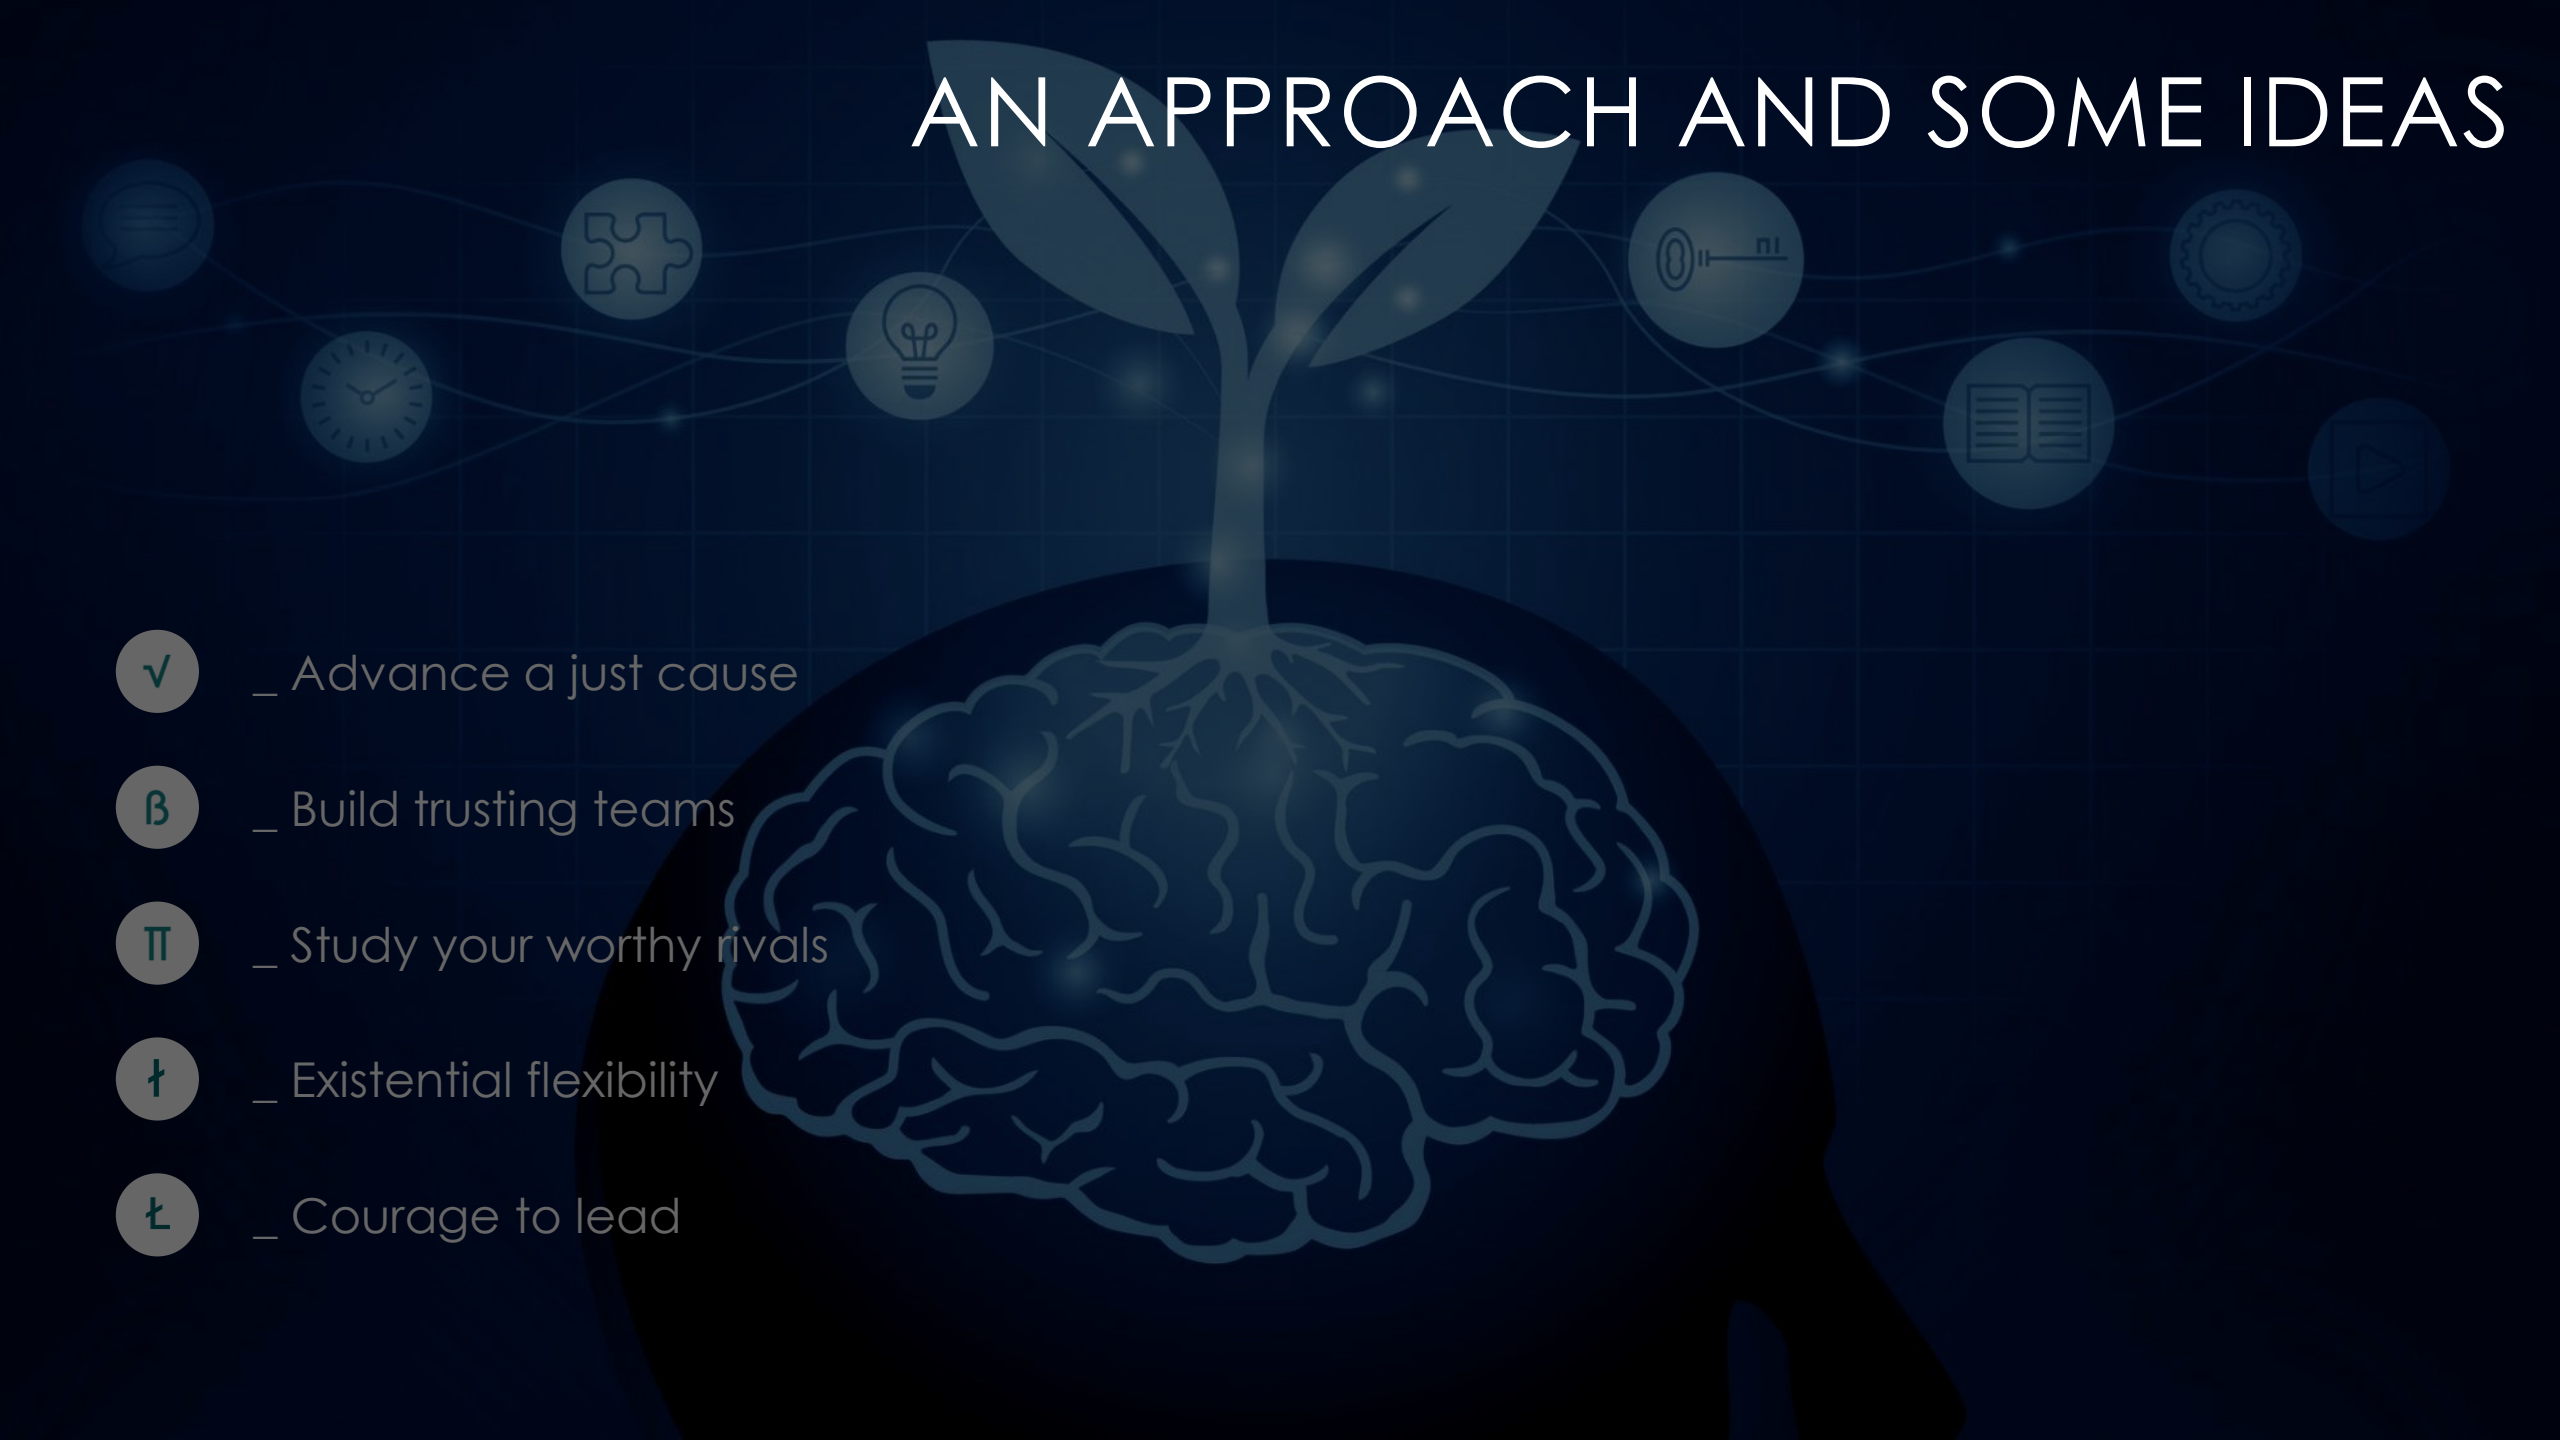

- √ _ We can't stop comparing our selves with others
- ß _ Even though we pass our competitors, we always find the next
- π _ Stop comparing, and start playing the infinite game – the game of life and business

AN APPROACH AND SOME IDEAS

AN APPROACH AND SOME IDEAS

- √ _ Advance a just cause
- ß _ Build trusting teams
- π _ Study your worthy rivals
- ł _ Existential flexibility
- Ł _ Courage to lead

EXTENDED POMODORO TECHNIQUE

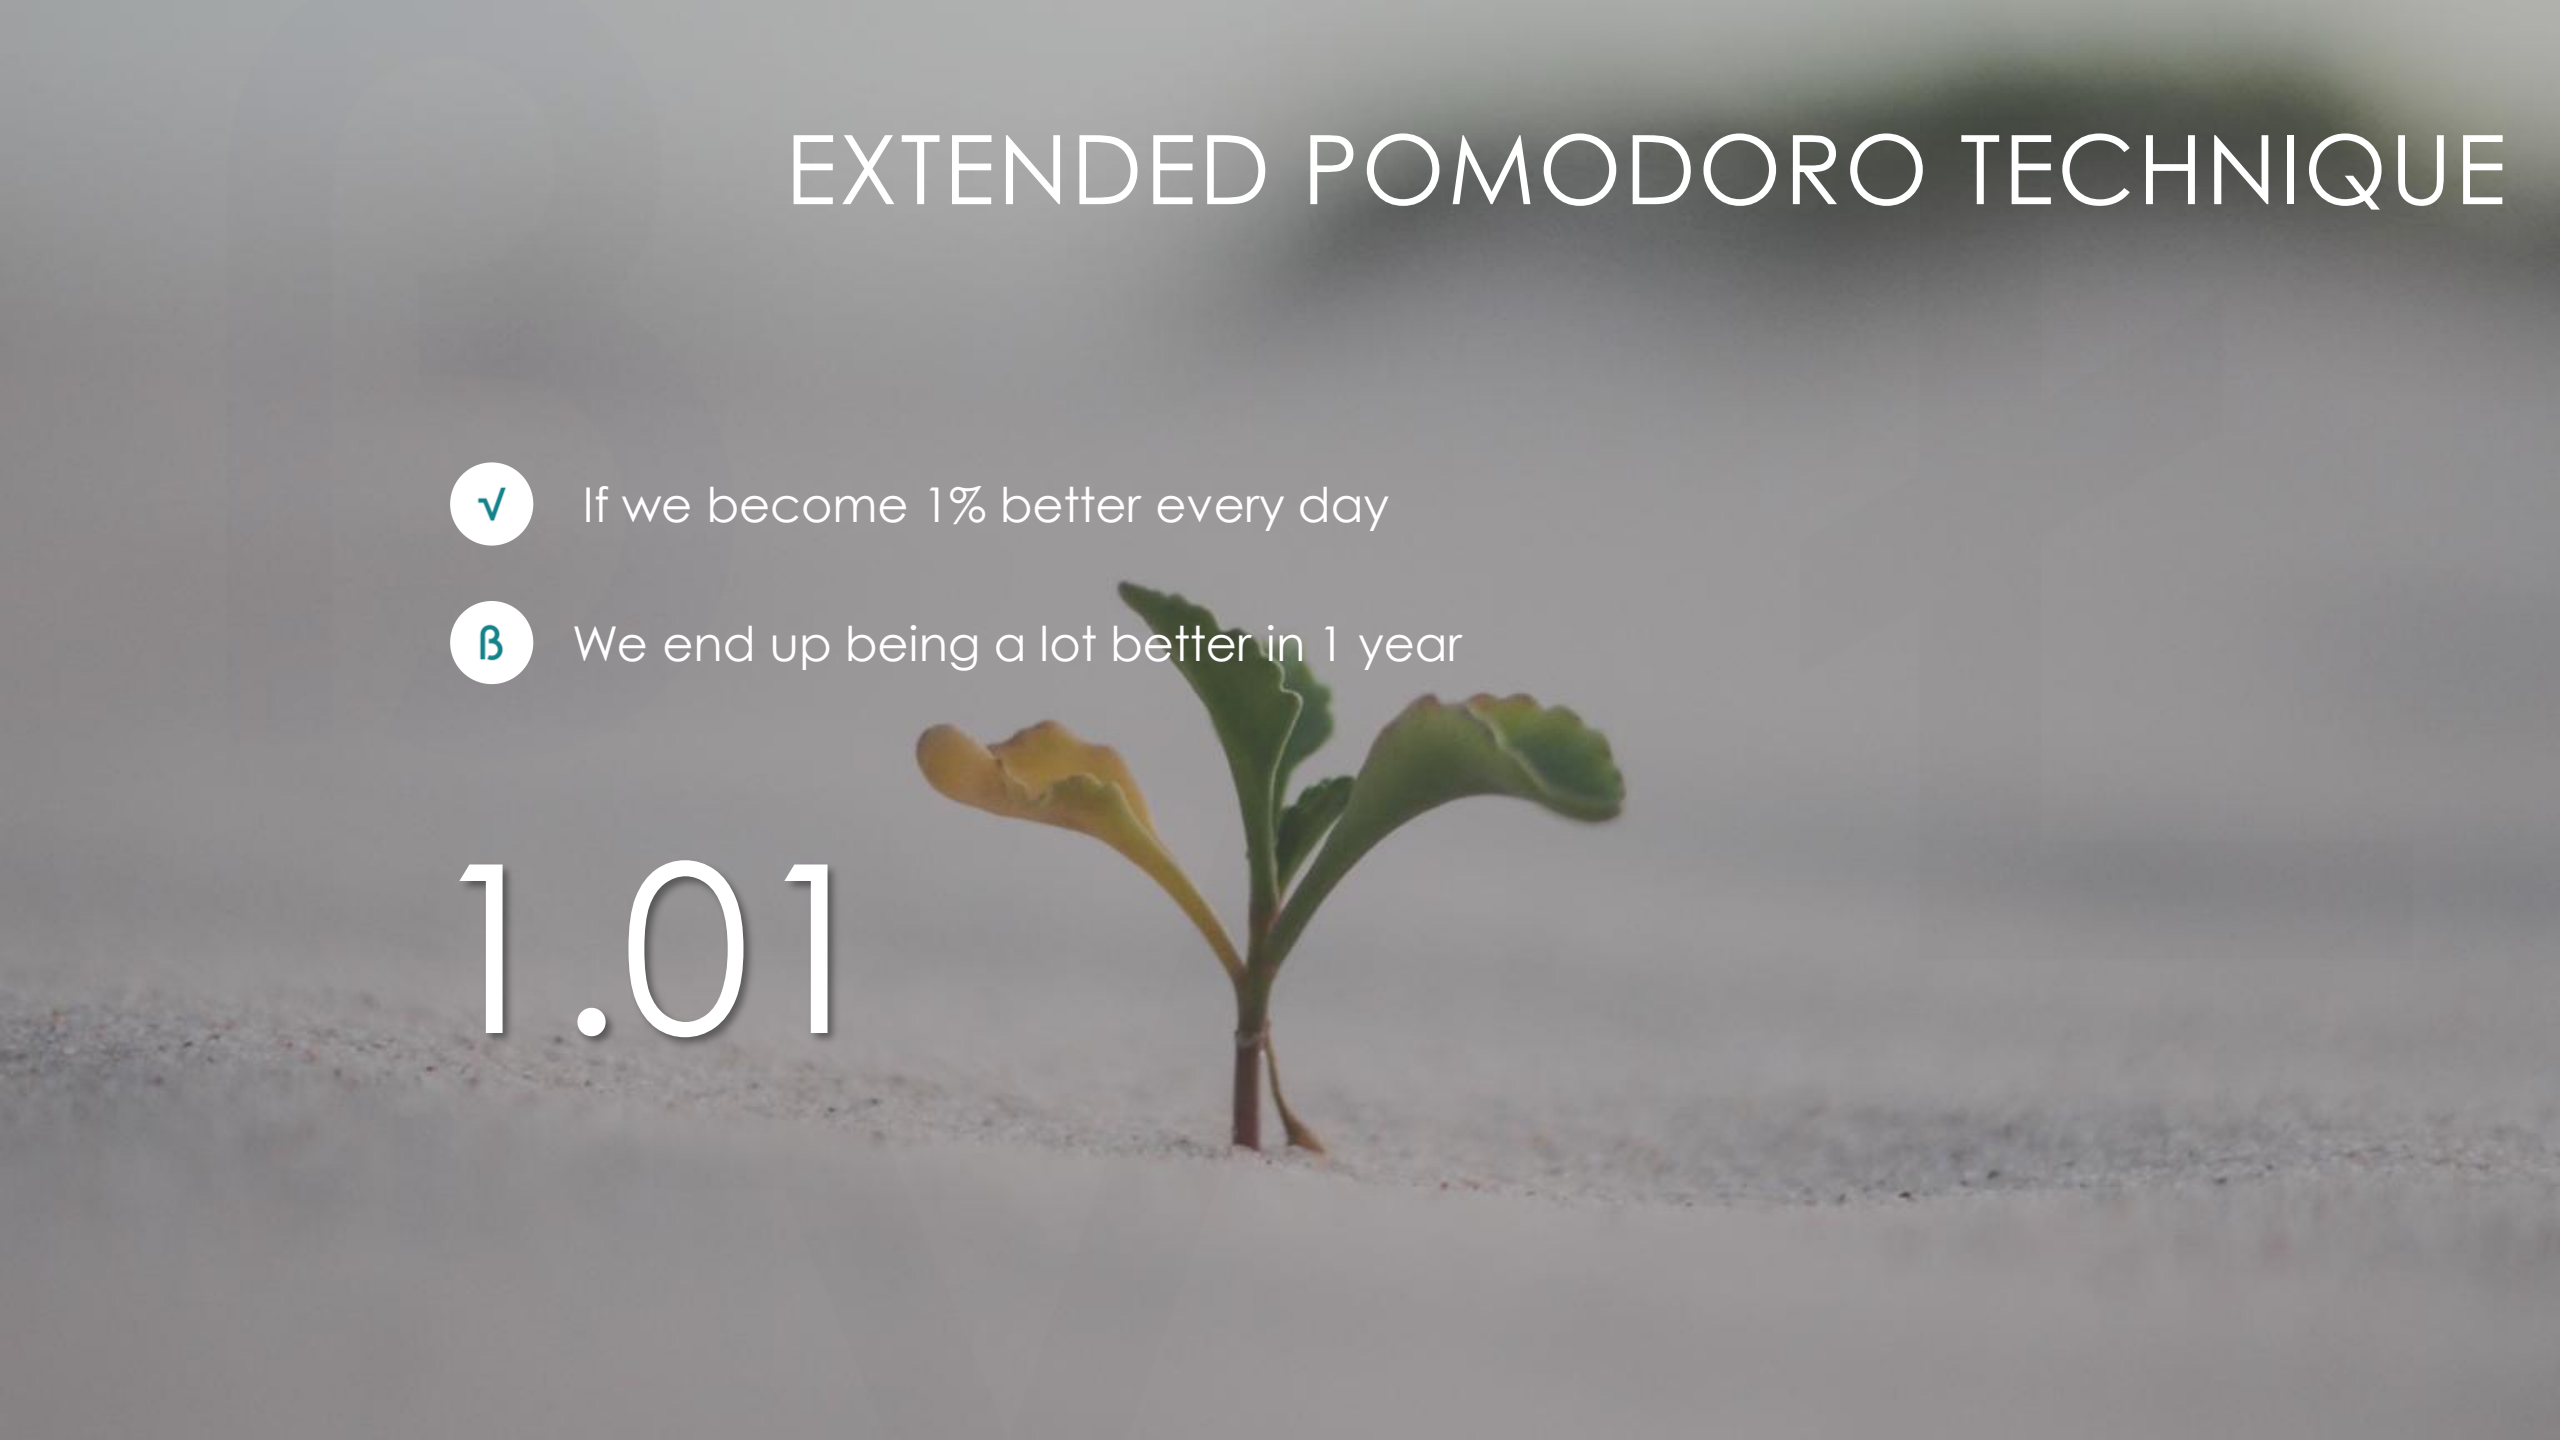

EXTENDED POMODORO TECHNIQUE

- √ _ 50
- ß _ 50/10
- π _ 50/10/3

EXTENDED POMODORO TECHNIQUE

- √ If we become 1% better every day
- ß We end up being a lot better in 1 year

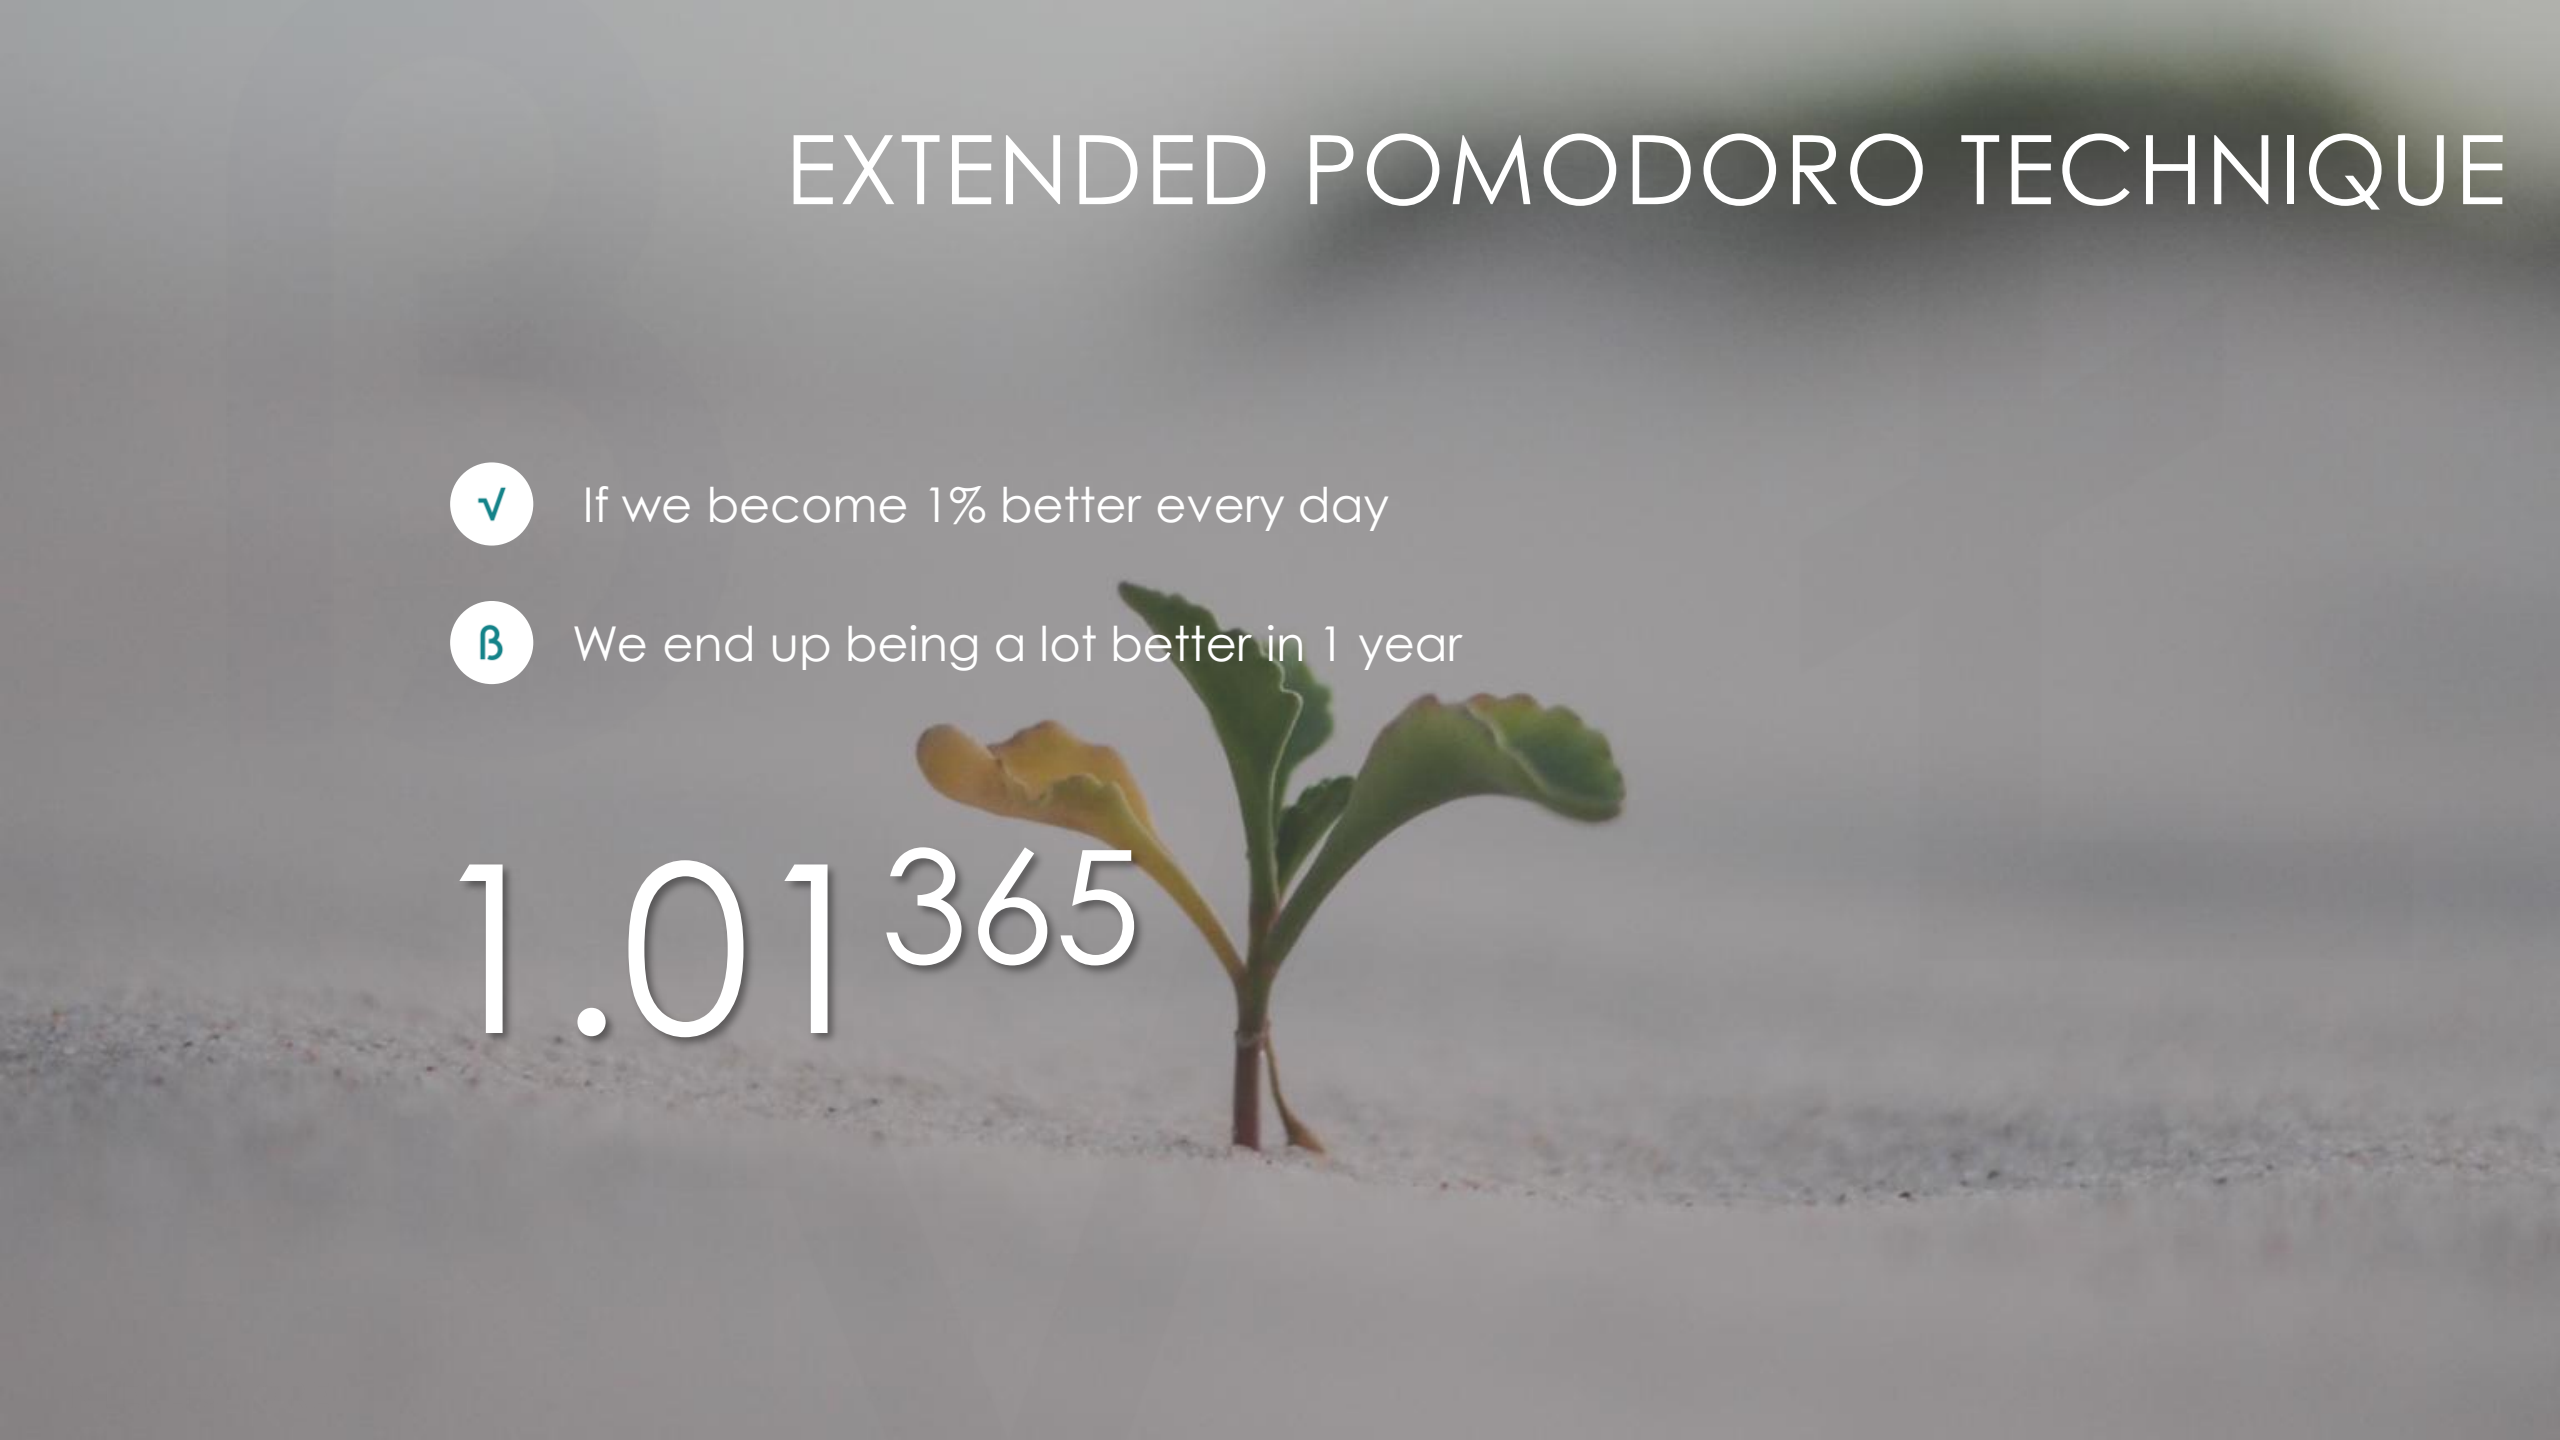

1.01
